

# SACRED HEART ANNUAL FALL FESTIVAL FUNDRAISER 2011

It is that time of year again already and SHS will once again be selling pop and bottled water and Schwan's Ice Cream at the Earl Park Fall Festival along with the ring toss game. This fundraiser usual generated over \$2000 every year due to your generous donations of time and case of pop or water.

**See the "CPTO 2011-2012 Fundraisers - Volunteer Sign Up Sheet" included in this packet.**

Please try and find time throughout your weekend and commit to working this event and return the form to the school office **ASAP!**

Below is a list of specific pop donations needed per grade as generic brands **do not sell**. CPTO will be purchasing all of the water this year. We are asking for one case or a cash donation of \$7.00 per child. There will be a classroom incentive if there is 100% participation.

Please turn in donations to your student's classroom by **Friday, August 26, 2011.**

As always, thank you so much for your support of this fundraiser and Sacred Heart School.

Please feel free to contact me at either number listed below or email me.
